Dear Vaughan

I have been contacted by numerous constituents regarding the Covid-19 vaccination roll-out in Wales. People over 80 and those in vulnerable groups are concerned they have yet to hear when vaccination will happen. It seems neither GP practices nor health boards are able to offer further information.

*BBC Wales* is today reporting that clinics at local primary care practices will be set up for people over 80 to have their jabs once the Oxford/AstraZeneca vaccine is approved for use.

I would be grateful if you could confirm the Welsh Government's position and set out the expected timetable for the vaccination programme in Wales.

Yours ever

**David T C Davies MP**
